

ELECTRIC PORTABLE AIR COMPRESSOR

Electric portable screw air compressor series is widely used in various industries. It is of high volumetric efficiency, smooth running, advanced performance, good stability, little quick-wear parts and convenient operation and maintenance.

Model	Air delivery / Working pressure				Motor power KW	7.2:1, tested according to the international GB/T 4980-2003 standard Y-Δ starting <3 ppm	Ambient temperature +15℃	Cooling volume m ³ /min	Pipe diam.	Weight Kg	Dimension(mm)																															
	m ³ /min/bar										L	W	H
